Letter from the District Attorney, certifying THAT THE INSPECTORS OF ELECTION HAVE THE POWER TO ADMINISTER OATHS TO UNREGISTERED

JOSHUA J. HENRY, esq., Chairman.

DEAR Sin:—I cheerfully comply with your request to state my opinion in regard to the power of Inspectors of Election to administer the oath to a "householder of the district," which is required by the act known as the Registry Law, to prove that an unregistered elector is "an inhabitant of the district."
The law does not in express terms give that power; but it seems to be clearly its intention, from the language employed, that they shall exercise the power, and, indeed, such action on their part seems indispensable to its present operation. So strong is my conviction on that point, that I should not hesitate to a minister the oath, if acting as an inspector. Yours, respectfully, NELSON J. WATERBURY.

Proclamation:—in pursuance of a resolution of the Common Council of the City of New York, I do hereby offer a REWARD of ONE HUNDRED DOLLARS for the detection of any person VOTING or attempting to VOTE ILLEGALLY, or of any person who shall precure aid assist, comes or advise enother to give or offer his Vote Illegally, or to go into any Ward or Election District for that purpose, at the ensuing Election, to be held in this city, on TUESDAY, the 6th day of November next. To be paid upon the conviction of the offender, and the certificate of the Recorder, District Atomey, or the Judge of the Court where convicted, that such so viction was had upon the testimony of the person or persons elaiming such reward.

But all claims for such reward, not presented to the undersigned to within, within 20 days after the conviction of such offender, shall be dierganded.

Eleventh Assembly District—Twentieth Ward.

The uncersigned offizens of the Twentieth Ward desire to state that they were delegates from Liberty Hall to a Convention to nominate a candidate to represent the Nith District in the Ixtsembly of 1881. That the said Convention met at Harman's large mere shown in 33d-st.; and that, under the influences of designing men-mer whom we have frequently heard declare that "their prime object in this campains near to defeat the local nominate of the Regular Republican. Association"—a Mr. John Hooper was brought forward and selected as such candidate.

This man Hor per having been vouched for as a true Republican, and a proper person to fill the position, we acquisesced in the preceedings then taken, and agreed that the nomination should be unanimous; but our surprise can well be imagined when, on encountering Mr. Hooper, to recognize in him a pear in who for years past has not only failed to support regular Republican nominations, but, as will be remembered at our last Fail election when he ran a stunp candidate for School Commissioner in order to defeat. Hubbard G. Stone, on all occasions doing list utmost to advance the interests of the so-called Democratic party. As further evidence of this last fact, one o us, in a personal conversation on Wednesday evening last, was informed by Mr. Hooper "that while he did not expect to be elected, he succeed, hoped that John Hardy would be successful."

We would fartic or state that we joined the Liberty Hall party because we were assured that it was composed of Republicans, opposed to fraud at doorroption. However, after meeting with toom a few times, or minds were enlightened, and we found it an association co. trolled by designing, whose pulling palidition, prompted by Neison J. Waterbary, Alexander M Frear, and other leading members of the so-called Democratic party; and trather, that the leading members of Liberty Hall see new working for and advocating portions of the Causty ticket nominated at Tammany and Mezaut Halls.
